MY FINANCIAL ROADMAP

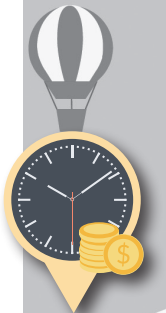

Earn

To receive income for labor or services.

Money

Anything people agree to accept as a means of exchange.

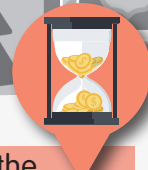

Savings Account

A special account at the credit union intended for saving money, instead of spending it. Interest is earned on this money over time.

Deposit

To put money into a credit union account for safekeeping.

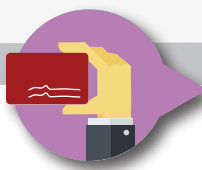

Interest

Money given to you by the credit union for keeping money in your account.

Withdraw

To take money out of an account, for spending or paying bills.

Debit Card

A convenient way to access the money in your account when you want to spend it.
